CSI:TMG

A Classified Teambuilding Experience by

the **Moreland** group, inc

meetings • events

www.themorelandgroup.com

Reconstruct the crime scene, find and collect evidence and work as a team to analyze and solve the crime.

Developed by a Forensic Scientist and a 26 year Law Enforcement Officer with experience as a forensic analyst and crime scene manager, this teambuilding activity will not only intrigue it's participants but will deliver the type of results you expect from teambuilding.
